

## “LINDA'S LIST” has transitioned

Instead of a monthly list of events laboriously compiled and sent to your inbox, **Jazzcatz** is now uploading events to the interactive and international JAZZNEARYOU.com – the event listing arm of ALLABOUTJAZZ.com

You can subscribe to their weekly emails by going to:

<https://jazznearyou.com/sanfrancisco>

and filling in the form at SIGN UP at the top right of the page.

If you are a musician and want us to list your gigs there, please fill out our

**GIG DETAILS FORM**

We are also happy to list gigs for Bay Area jazz venues each month.

Please call to discuss.

LINDA'S LIST thanks you for all your years of readership.
